

# Here for You. Every Day.

March 1, 2019

Carolina Alliance Bank has been serving customers in Upstate South Carolina and Western North Carolina for many years. We are very grateful for the trust you have placed in us and we are proud of our commitment to community banking. Whether you're banking online or visiting one of our seven locations, we're here for you and ready to help you achieve your financial goals.

As part of the Park National organization, our local bankers will continue providing the exceptional experience you've come to expect, with enhanced services and capabilities. The Park National Family of Community Banks consists of 11 bank divisions, each led by local professionals committed to providing extraordinary service, community support, and excellent financial performance. By sharing operational and administrative resources, each community bank remains competitive with sophisticated technology and service capabilities – all while keeping a steadfast focus on personalized service and community involvement. Together, we are truly excited about the possibilities!

Like Carolina Alliance, Park National believes the difference we make in our communities matters most. You'll still see us in all of the same places supporting organizations like the United Way, March of Dimes, Alzheimer's Association, and many others.

As we have news to share, you'll receive details about the transition and the benefits available to you. Please remember that many things will not change. Our local leadership and decision-making, our unwavering commitment to providing superior customer service, and our generosity to the communities we serve will not change. It will only grow stronger.

This is a time of excitement and optimism for the future of Carolina Alliance, and we understand you may have questions. As this transition progresses we will keep you informed and we thank you in advance for your patience as we provide communications. Visit us online at [CarolinaAllianceBank.com/Park](http://CarolinaAllianceBank.com/Park) for more information about the merger.

If you have questions, please contact your local banker, call us at 864.208.2265 or send us an email at [info@CarolinaAllianceBank.com](mailto:info@CarolinaAllianceBank.com).

Thank you for the privilege of serving your financial needs.
